

Job Description – Executive Assistant (Founder’s Office)

Company: CleanStart

Location: Ahmedabad

Experience Required: 3–5 Years

Department: Founder’s Office

Employment Type: Full-Time

About CleanStart

CleanStart is building the foundation for trusted software delivery by providing secure, verified, and compliant software infrastructure for modern enterprises. The company helps organizations build, ship, and run software that is secure by design through verified container images, software supply chain security, continuous compliance, and full artifact traceability.

With a strong focus on software supply chain security, compliance automation, and vulnerability management, CleanStart enables businesses to reduce security risks, simplify audits, and accelerate secure deployments. Its platform integrates security, compliance, and provenance into every build, helping enterprises move faster while maintaining trust and compliance from source to production. ()

About the Role

We are looking for a highly organized, proactive, and detail-oriented Executive Assistant to support the Founder’s Office at CleanStart. The ideal candidate will play a critical role in managing schedules, coordinating cross-functional activities, handling confidential information, and ensuring smooth day-to-day operations for the leadership team.

This role requires strong communication skills, discretion, problem-solving ability, and the capability to work in a fast-paced startup environment. **Candidates with prior experience working in the IT industry will be preferred.**

Key Responsibilities

- Manage calendars, appointments, meetings, and travel arrangements for founders and senior leadership
- Coordinate internal and external meetings, prepare agendas, take meeting notes, and track action items
- Handle confidential documents, reports, and sensitive business information with discretion
- Support in preparing presentations, reports, MIS, and business correspondence
- Coordinate with internal departments including HR, Finance, Operations, and external stakeholders
- Follow up on key business priorities and ensure timely closure of action points
- Assist in event planning, leadership visits, and office coordination for the Founder’s Office
- Manage vendor coordination and administrative support as required
- Maintain records, documentation, and filing systems efficiently
- Support strategic projects and ad-hoc tasks assigned by the founders

Required Skills & Qualifications

- Bachelor's degree in business administration, Management, Commerce, or related field
- 3–5 years of experience as an Executive Assistant or similar role
- Prior experience working in the IT industry is mandatory
- Excellent verbal and written communication skills
- Strong organizational and multitasking abilities
- High level of professionalism and confidentiality
- Proficiency in Microsoft Office, Google Workspace, and presentation tools
- Strong follow-up skills and attention to detail
- Ability to work independently and manage priorities effectively in a fast-paced environment

Preferred Qualities

- Prior experience working in a startup or Founder's Office environment
- Strong stakeholder management skills
- Problem-solving mindset with high ownership and accountability
- Ability to handle ambiguity and dynamic work environments

Why Join Us

Be a part of a fast-growing and dynamic organization where you will work closely with leadership, gain cross-functional exposure, and contribute directly to business growth and strategic execution.
